

Art Bingo Complete every task and bring it back signed to earn a prize from the art room.

<p>Draw a robot. Don't forget to include all the gadgets and buttons and parts!</p>	<p>Make a color wheel using found objects. Red, orange, yellow, green, blue, purple.</p>	<p>Write about a work of art. Describe how it looks. Tell me what you think it means. Decide whether you like it or not and why.</p>	<p>Tell someone at home about a project you have worked on in art class. What did you learn? Did you like it? Was it easy? Tough?</p>	<p>Build a tower using objects around your house. Make sure you don't use anything that can break. See how high you can make it.</p>
<p>Make a poster for the art room. Think about one of the rules in the art room and draw, paint, color, doodle a poster to illustrate the rule.</p>	<p>Draw a still life. A still life is an arrangement of objects you look at while you draw. You could use a pile of books and a video game remote. Or a vase of flowers and a doll. Whatever you want!</p>	<p>Draw a self-portrait. Remember that is a picture of yourself. Add color if you can! Don't forget to add details in the background.</p>	<p>Make a paper airplane. Challenge yourself to see how far you can make it fly. How high?</p>	<p>Draw an underwater seascape with plant life and sea creatures. Fill up your paper with color and details.</p>
<p>Draw yourself as a King or Queen. Make sure to include where you are sitting, what you are holding, and everything in the background/ around you.</p>	<p>Tell someone at home about something you have seen hanging on the walls in the art room. Describe it. Explain why it is there.</p>	<p>Free Draw Draw whatever you want!</p>	<p>See how many of the primary colors you can find around your house. Red, blue, yellow.</p>	<p>Fill up your paper with a zentangle. A zentangle uses patterns and shapes and lines to make art!</p>
<p>Make a list of all the special awesome things about yourself. Pick one to draw about.</p>	<p>Make a texture rubbing by putting a piece of paper on top of something with texture and rubbing a crayon on the paper. The sidewalk, a bumpy table, a leaf are all great ideas!</p>	<p>Find 20 geometric shapes. (such as circles, triangles or squares have perfect, uniform measurements and don't often appear in nature)</p>	<p>Draw a new invention that will help the world!</p>	<p>Find as many different types of lines as you can (zig zag, straight, loopy, wavy, etc).</p>
<p>How many different values of blue can you find? Line them up when you do. <i>*Remember value is shown by different shades of the same color (light blue, dark blue, darkest blue).</i></p>	<p>Make a card and draw an amazing picture in it. Give it to someone to make them smile!</p>	<p>Draw a forest full of different kinds of animals (real or fantastic).</p>	<p>Call someone and give them a compliment. Talk about the fun art you've been working on. Be kind to each other and laugh!</p>	<p>Find 20 organic shapes (shapes associated with things from the natural world, like plants and animals)</p>
