Technology

Please use the link on the Bath Elementary page under the Curriculum Download link to access the technology programs. These links provide many games and activities organized by grade level that provide practice and mastery of the Technology Standards

Most used tiles:

ABCYA -please note Iuse this link only, there is an ABCYA3 that has inappropriate games for school.
PBS KIDS
Sumopaint- Drawing program using computer skills
Dance Mat Typing for 1st and 2nd grade
Typing.com for 3rd-5th grades
Storyline Online- Stories read aloud

There are many more tiles to explore, some are outdated, I am working on updating those or adding new sites.
