

Education is the key to success!

The DeWitt Chamber Foundation with the support of the DeWitt Area Chamber of Commerce offers two scholarship programs for students living in or attending high school in Clinton County. These two programs focus on the Skilled Trades and Health Care Industries.

Over the past two years we have really come to appreciate the need for qualified, well-trained, and compassionate medical professionals. If you fall ill, have an accident, or need surgery, you look to medical professionals for help.

There is another industry which we really rely on in times of need, Skilled Trades. However, we have a tendency to overlook the importance of an electrician, plumber, auto mechanic, and so many others who help keep our homes warm, water running, and lights on. These are definitely the hidden heroes of our society who are on the poles after severe storms restoring power to our homes and businesses, repairing furnaces when we wake up with no heat, or repair our vehicles to keep us mobile. Like medical professionals who work hard to keep us alive and well, skilled trades people work hard to provide the life comforts we have come to enjoy.

If you have a desire to seek a career in the Health Care Field or the Skilled Trades Industry, the DeWitt Chamber Foundation invites you to apply for one of our scholarships. . Each program offers \$1,000 scholarships to Clinton County graduating seniors.

Application Deadline is April 1, 2022 with no exceptions. Applications for both programs can be found in this publication, by visiting the Chamber’s Website at www.dewittareacc.org, or you can request an application via email by contacting the Chamber at Loretta@dewittareacc.org.

The DeWitt Chamber Foundation is a non-profit charitable organization created to support educational opportunities throughout Clinton County.

Eligibility Requirements
