

June 2, 2021

Bath Education Community,

Soon we will be winding up the 2020 - 2021 school year, one that will hopefully prove to be unique. I am very optimistic about the upcoming school year and getting our students back into the classrooms.

We expect to welcome back all of our students into the buildings on August 23rd, 2021. We are focusing on full time, face-to-face instruction at all grade levels and believe we will be able to do so safely. If your student has a medical need that may require a different educational setting other than the physical classroom, please contact your child's building administrator to let them know of your needs. We will work with you to help develop an appropriate educational plan for your child.

Prior to the start of the 2021 - 2022 school year we will be running a back to school "boot camp". We are working on setting it up for August and it will be a transition into the regular school year for our elementary and middle school students. There will be more information available in the near future.

Finally, the calendar for the 2021 - 2022 school year can be found on the following page. More specific information can be found on the district website at bathschools.net.

On behalf of Bath Community Schools, I would like to thank you for your support and understanding during these difficult times. Here is to a relaxing summer and a fresh start for the 2021 - 2022 school year!

Respectfully,

Paul Hartsig
Superintendent
Bath Community Schools

Bath Community Schools
